

Built on Trust & Care

At TiriVelo Pet Services, we believe pets make life better, and they deserve care that's just as joyful and trustworthy as the love they give us every day.

Proudly Canadian and community-driven, we provide reliable, personalized care that keeps tails wagging and owners worry-free. Whether it's walks, drop-in visits, house sitting, doggy daycare, or boarding, our team puts your pet's comfort, safety, and happiness first.

Every service we offer is guided by our core values of trust, compassion, and expertise – because when pets thrive, their people do too.

Join the TiriVelo community and experience pet care that feels more like family.

Why Trust TiriVelo?

Built on a foundation of safety, transparency, and community trust.

Verified Providers

Every caregiver is reviewed and approved to ensure they meet our standards for experience, reliability, and safe pet care.

Real-Time Transparency

Stay connected with photo updates, GPS tracking for walks, and detailed care reports after every service.

Safety-First Standards

Clear safety guidelines ensure pets are properly supervised, handled with care, and protected throughout every service.

Built-In Accountability

Ratings, reviews, and incident reporting help maintain quality and ensure every experience meets our standards.

Our Response Process

We follow a clear process to review concerns, take appropriate action, and maintain a safe, trusted experience for all users.

Report an Issue

Submit a concern through the platform with relevant details.

Immediate Action

We take quick steps to protect pets, owners, and providers.

Review

Our team reviews the situation using available information and documentation.

Resolution

We take appropriate action to resolve the issue and maintain trust.

Trusted pet care starts here.
